Substantive Knowledge, Procedural Knowledge, Key Vocabulary

<p>Understanding the world</p> <p>The Natural World</p>	<ul style="list-style-type: none"> To know there are different types of weather To identify different types of weather on different days To know and understand that weather is always changing To know that people can predict the weather To know the Season Autumn and what the weather is usually like To know some environmental changes that happen during Autumn <p>-I can dress appropriately/talk about appropriate clothing for different weather/for the season e.g put on coat, hat and gloves when they go out to play in the winter</p> <p>-I can explain why they need certain clothes when they go outside at different times of year</p> <p>-I can talk about the weather that I see and experience</p> <p>-I can identify changes in the weather</p> <p>-I can answer questions about the weather, using recently introduced vocabulary</p> <p>-I can talk about the changes I see in the world around me during the season of Autumn</p> <p>Vocab Rain, Sun, Cloudy, Hot, Cold, Temperature, Snowy, Icy, Stormy, Rainbow, Weather, Autumn, season, thunder, lightening,</p> <ul style="list-style-type: none"> To know names of different body parts and identify them on themselves and others <p>-I can point to a range of body parts, extensive of the basic body parts (head, legs, arms, feet)</p> <p>Neck, ankle, wrist, elbow, shoulder, hips, eyelids, eyebrows, eye lashes, nails, ear lobe, shin, thigh</p>	<ul style="list-style-type: none"> To know that water freezes when it gets cold and turns into ice To know that ice melts and turns back into water To know that a freezer and the weather can cause things to freeze and melt To know that materials can change when heated (cooking/baking) To know that fire is hot and can hurt you. <p>-I can explore ice and talk about what I see changing when I touch it</p> <p>-I can speed up the melting process using different materials and effects e.g. using a pipette to drop water on it, blowing it, using my hands</p> <p>Ice, freeze, melt, change, hot, cold, warm, touch, effect</p> <ul style="list-style-type: none"> To know that we have seasons To know that the weather can be different in different countries. <p>-I can talk about the weather I am experiencing today</p> <p>-I can talk about the environmental changes in the natural environment that I experience in Autumn e.g. the leaves changing colour and falling from the trees</p> <p>Autumn, warmer, cooler, freezing, leaves, falling, changing</p> <ul style="list-style-type: none"> To know there are different natural environments around the world <p>-I can talk about the environments that I have seen in books read to me in class</p> <p>-I can talk about similarities and differences to the environment that I live in</p> <p>different, the same, similar, mountain, beach, island, desert, forest</p>	<ul style="list-style-type: none"> To know it is dark at night time and light in the day time To know that different animals come out at night and in the day To know what people do to keep safe in the dark To know that shadows are made when light is blocked <p>- I can make observations about how things are different at night compared to during the day (flowers close up, animals, light etc</p> <p>-I can talk about how we can be safe in the dark. E.g. street lights, torches, wearing reflective clothing, lights on cars and bikes</p> <p>-I can make shadows on sunny days, or by using light sources</p> <p>Morning, afternoon, night, day, light, dark, torch, electricity, torch, candle, nocturnal, owl, hedgehog</p> <ul style="list-style-type: none"> To know there are 9 planets To know we live on planet earth To know we orbit the sun and the moon orbits us <p>Planet names, astronaut, space suit, helmet, shuttle, comet, rocket, asteroid, space station, sun, moon, crater, orbit, gravity, float, launch</p> <ul style="list-style-type: none"> To know the seasons Autumn and Winter <p>-I can describe what I see, hear and feel whilst outside.</p> <p>-I can talk about what happen in the natural environment during the winter</p> <ul style="list-style-type: none"> To know that we have 5 senses <p>-I can use my 5 senses to explore the world around me</p> <p>-I can name the senses of touch, smell, taste, hearing and sight</p> <p>Touch, smell, taste, hearing, sight, listen, feel, rough, smooth, bumpy, soft, like, dislike, sweet, sour, loud, quiet, see, vision</p>	<ul style="list-style-type: none"> To know that most plants start growing from a seed or bulb To know plants need water, warmth and light to grow and survive To know that organic things decay over time, and that this process speeds up if they are not cared for To know the basic parts of a plant To know that many plants begin to bloom in the spring and many animals are born To know the names of baby animals and match them to their adult To know that animals grow and change (referring back to human growth) To know the lifecycle of a frog <p>- I can look carefully at plants</p> <p>-I can point to the stem, petal, flower, leaf and roots of a plant.</p> <p>-I can compare plants and talk about how they look different</p> <p>-I can observe and draw a plant</p> <p>-I can name farm animals, domestic pets and some other local animals and their babies</p> <p>-I can talk about the lifecycle of a frog</p> <p>-I can talk about changes that happen in the natural environment during the Spring</p> <p>trunk, buds, stem, petal, leaf, roots, plant, bush, tree, flower, grow, decay, calf, piglet, chick, puppy, kitten, duckling, foal, pup, cub, owl, fox, frog, tadpole, froglet.</p> <ul style="list-style-type: none"> To know some environments are different to the one in which they live To know that different animals thrive in different environments, and their bodies are adapted to survive <p>-I can talk about where a wolf lives</p> <p>-I can talk about how and why wolves survive e.g. how their bodies suit their habitat, what they eat, how they live together</p> <p>-I can use books and computers to find out information about wolves</p> <p>predator, prey, habitat, wolf pack, claws, tundra, clearing.</p>	<ul style="list-style-type: none"> I can name To know that bees are essential to our world <p>-I can talk about bees and how they help the world</p> <p>Nectar, honey, pollination, hive, sting, swarm, honey, pollen, nectar, queen bee, worker bee, larvae, hexagon, wax</p> <ul style="list-style-type: none"> To know all 4 seasons and what happens in the natural world during them To know that the seasons repeat and have an order <p>- I can talk about changes that happen in the natural environment during the Summer</p> <p>-I can compare the 4 seasons</p> <p>-I can explain how to stay safe in the sun</p> <p>Protect, UVA rays, sunhat, sun cream, skin, burn, clothing</p> <ul style="list-style-type: none"> To know where to find different mini beasts To know insects have 6 legs and wings To know that living things change over time <p>-I can observe and talk about the minibeasts, including physical features and their habitats</p> <p>-I can talk about the lifecycle of a bee</p> <p>Webs, logs, underneath, damp, dry, grass, leaves, ponds, rivers, trees, bark, insect, spider, wings, abdomen, thorax, egg, lave</p> <ul style="list-style-type: none"> To know natural features in the environment contain different colours, shapes and textures (Gustav Klimt art and photography) <p>-I can make observations about shapes and colours in the environment, talk about them and record these through drawings</p> <p>Trams, Transport, car, bus, plane</p> <p>-I can compare how people from different places dress – cultures</p>	<ul style="list-style-type: none"> To know an experiment can be used to find out information To know an experiment has to be fair To know that different materials can affect other materials in different ways To know the importance of brushing your teeth and the effect food and drink has on teeth To know some food is healthy for you and some food is unhealthy <p>-I can take part in an experiment and talk about what I see changing (egg experiment- compare to teeth)</p> <p>-I can compare and talk about similarities and differences</p> <p>-I can sort healthy and unhealthy food into groups and talk about the effects of both on the body</p> <p>Experiment, Investigate, fair, test, change. Compare, effect/affect, materials, liquid, enamel, cavity, decay, rotten, plaque, remove, dentist</p> <p>Healthy, unhealthy, vegetables, fruit, carbohydrate, protein, dairy, varied, diet, hydrated, exercise, nutrition, portion, sugar, acid</p> <ul style="list-style-type: none"> To know that people are impacting the environment To know what litter is and what we can do to help/prevent/ reduce pollution To know some places are very busy- more people equals more litter Knows that more than one house is in a village or town and that cities have lots of houses. To know that the sea and the creatures that live in it are impacted by pollution To know that materials are made from different properties To know and name a range of creatures that live in different parts of the world (Mainly sea creatures. Arctic/Antarctic animals) To know that a world map shows all the countries in the world and how these are represented by colour and that sea is represented by
