Summer 1

Welcome back to school, hope you've had a lovely break. Can you believe we're into Summer term already? Time really does fly! We hope you're ready to get stuck in to our brand-new topic – all about Pop Art and the Creative Revolution.

This half term, our learning is packed with creativity, imagination and hands-on experiences across the curriculum.

In **English**, we'll be unleashing our imagination as we explore the exciting world of superpowers, using rich language and creativity to craft our own engaging pieces of writing.

In **Maths**, we will begin our learning on statistics, developing our skills in interpreting data, creating charts and drawing conclusions.

In **Science**, we'll be having some electrifying fun as we learn all about electricity, exploring circuits and discovering how electrical components work.

In **Art**, we will take inspiration from famous Pop Artists Andy Warhol and Roy Lichtenstein. We'll explore their bold styles and techniques before creating our own vibrant Pop Art pieces.

In **Computing**, we'll be developing our digital creativity by creating vector images, learning how to use shapes, lines and layers to design our own digital artwork.

In **Spanish**, we'll be building our language skills in preparation for an exciting Spanish café afternoon, where we'll practise ordering food and drinks in Spanish in a real-life context.

In **PE**, we'll be developing our skills in athletics and tennis, focusing on coordination, control and teamwork.

It promises to be an engaging and exciting half term full of creativity, practical learning and new challenges across all subjects!

Thank you
Mrs Arney and Mrs Scott

REMINDERS

PE will be on Thursdays AND Fridays.

Please remember to come to school in your PE kit including suitable footwear such as trainers in case we are outside.

(Plain T-shirt, plain Joggers and school cardigan/jumper).

**In Harmony – Monday.
Please make sure instruments are in school and labelled.**

What can you do to support your child's learning?

- 1) Listen to them read. Ask them questions about what they have read. Log their reading on their Rainbow Reading record.
- 2) Help your child continue to learn their times tables using Times Table Rock Stars (TTRS)
- 3) Ensure attendance is consistent and your children are in school on time (8:45am) every learning minute is crucial!
- 4) This term we'll be sending spellings home to practice and we'll be quizzing the children the following week. There'll be dojo's for those that are showing improvement!
